## Festive Farmers' Market

Visit us on Saturday 3rd December for our monthly Farmers' Market with a festive twist.

Enjoy fresh seasonal produce, cheeses, wines, meats and sweets in the heart of Walton.

## Late night shopping

We know how much of a rush it can be to get everything you need in the run-up to Christmas so we're giving you a little extra time on Thursday 15th & 22nd December to get the last of your shopping wrapped up!

## FREE Gift Wrapping

### Too busy to wrap your presents?

If gift wrapping gets you all in a fluster why not let our little helpers from Shooting Star Chase charity help you on your way to a stress-free Christmas. They'll lovingly wrap your special gifts in exchange for a small donation to their cause.

## Make Christmas your own

It's easy to fall into a bit of a routine with Christmas, following all the traditions your family have followed for years, so why not make it your own this year.

### Santa says: mince pies are so last season

He really must get bored of all those mince pies, so why not make him some delicious cookies from one of Sainsbury's tasty recipes online at [www.sainsburys.co.uk](http://www.sainsburys.co.uk)

### Read them a Christmas tale

Create some memories with your family and snuggle up with snacks and a story from Waterstone's on Christmas Eve. Perfect for chilling them out before the excitement of the big day.

### You won't believe it's Chocolate!

We are delighted to welcome back the Amazing Chocolate Workshop from 14th October to 24th December. On sale will be an incredible collection of amazingly realistic products, created entirely out of chocolate, for purchase.
